

Clean Sweep/Green Sweep Application Process

Thank you for your interest in hosting a Clean Sweep/Green Sweep event in your area. The goal of this program is to assist Mesa residents in maintaining the cleanliness and beauty of their neighborhoods by providing them with a means to dispose of large amounts of household trash and debris.

Clean Sweep/Green Sweep Request Process

Fill out the Clean Sweep/Green Sweep application packet and return to the City of Mesa Environmental Management & Sustainability Department.

By Email: waste.info@mesaaz.gov

By Mail: Clean Sweep/Green Sweep Program
City of Mesa Environmental Management & Sustainability Department
P.O. Box 1466
Mesa, AZ 85211-1466

By Fax: 480-644-3057
Attn: Clean Sweep/Green Sweep Program

Application Checklist:

- Have you included both the Roll-Off Agreement and Clean Sweep/Green Sweep Participant List with current homeowner information? (*previous participant lists not accepted*)
- Have you enlisted the participation of at least 8 neighbors? Do all of them have City of Mesa barrel service?

Event dates will be scheduled on a first come, first serve basis and are subject to availability for your zone area.

2. Once your form is received, a City of Mesa Clean Sweep/Green Sweep Coordinator will contact you to schedule your event date as well as review the logistics of the program, discuss coordinator responsibilities and answer any questions you may have at that time.

3. Approximately 2 weeks prior to your event, you will receive informational Clean Sweep/Green Sweep packets. As the coordinator, you will be required to distribute these packets to every resident within your Clean Sweep/Green Sweep target area. The packets will inform them of the upcoming event, the location of the containers and the items that are accepted and not accepted.

4. Host your Clean Sweep/Green Sweep event. As the coordinator, we ask that you please maintain the area around each roll-off container so that it is left free of debris once the roll-off containers are removed.

That's it!

Questions? Please refer to the most FAQ's page located on the Clean Sweep/Green Sweep Web page or call the City of Mesa Clean Sweep/Green Sweep Hotline at (480) 644-4791.

***Your cooperation in monitoring the containers for proper usage is greatly appreciated.
This allows us to continue to offer the Clean Sweep/Green Sweep program without
additional costs, for the beautification of our Mesa neighborhoods.***

I agree that I am the designated Clean Sweep/Green Sweep coordinator and accept responsibility for the coordination of this neighborhood cleanup event. I have read all accompanying materials including the list of acceptable/non-acceptable items.

The participants requesting service shall hold the City of Mesa harmless from all claims by the participants or any other party as a result of injury, damage to property or trespass.

The participants requesting and using the roll-off containers are responsible for the proper loading of the containers. Contents must be distributed equally and level with the top of the containers to prevent possible damage to the property or City of Mesa equipment. This program is intended for residential use only; commercial use is prohibited. Please contact the City of Mesa Clean Sweep coordinator in the event that the containers become filled.

Intentional misuse of the program may result in the assessment of disposal fees and/or disqualification from requesting future cleanup events.

Clean Sweep/Green Sweep 2015 Participant List

By signing up to participate in this clean-up event, I agree that I have read and accept the provisions of the Clean Sweep/Green Sweep Roll-Off Agreement, and understand that I am authorizing the City of Mesa the right to set a box in front of my home if required.*

* Signing does not mean that a box will be placed in front of your home.

♦ For safety considerations, all boxes will be placed on the same side of the street.

♦ * Placement of containers is subject to final approval by the Environmental Management & Sustainability Department to ensure that container location does not violate City code or compromise resident or employee safety. Example: Containers are not placed in high traffic areas, near stoplights, on cul-de-sacs, closer than 30 ft. away from stop signs, closer than 20 ft. away from a fire hydrant, etc.
